

Name _____

Period _____

Date _____

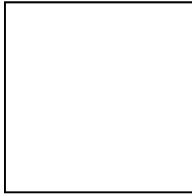

My Colors

Colors that look **good** on me are:

Using a colored Pencil, color each square in with a color most like the color collar you tried on. To the left of each square, circle whether this is a tint, tone, shade, bright or dull of what basic color or is it a neutral?

Write the actual color name on the line, then describe why each color looks good. (examples: highlights eyes, skin tone looks better...)
